

Self-Paced

Sexual and Gender Based Violence - English

This course is aimed at providing introduction to different types of SGBV, identify root causes, modes, and prevalence of such forms of violence impacting disproportionately women, transgender, queer, racialized, and disabled newcomers using an intersectional lens. It will review the unique experiences and stories of immigrant and refugee survivors of SGBV and assist participants to develop the skills and knowledge on how to handle disclosures of SGBV and practical guidance on psychosocial support for individuals affected by SGBV. It will also explore the factors that contribute to the occurrence and existence of gender-based violence in complex emergencies, including conflict zones and natural disasters and equip practitioners with skills, practical tools, and methods on how to integrate SGBV awareness.

Audience: *Settlement and Integration Sector Workers*
