13 Trauma-Informed Care (Self-Paced)

20 Understanding Culturally Safe Mental Health and Mental Wellness – English & French (Self-Paced)

Self-paced

Professional Roles and Ethics

This course explores the functions of Service Provider Organizations (SPOs) and their relationship with community services. Participants will examine settlement practitioners' roles, ethical guidelines, and practical issues like boundaries, confidentiality, and conflict of interest.

Audience: Settlement and Integration sector workers

Course Start Date

April 7, 2026

Course End Date

May 19, 2026

Registration Closing Date

March 30, 2026

Self-Paced

Rôles professionnels et éthique professionnelle

Les participants exploreront les fonctions des organisations de prestataires de services (SPO) et leur relation avec les prestataires de services communautaires généraux. Ils examineront les rôles, les responsabilités et les principes directeurs des praticiens de l'établissement, ainsi que les principales questions éthiques : les limites, la confidentialité et le consentement, et les conflits d'intérêts.

Audience: Settlement and Integration sector workers

Course Start Date

April 7, 2026

Course End Date

May 19, 2026

Registration Closing Date

March 30, 2026

Understanding Culturally Safe Mental Health and Mental Wellness

This course explores diverse cultural perspectives on mental health, focusing on culturally sensitive approaches and promoting self-awareness in practitioners. It encourages stigma-free conversations and includes practical examples to guide effective client support.

Audience: Settlement and Integration Sector Workers

Course Start Date

April 20, 2026

Course End Date

June 1, 2026

Registration Closing Date

April 12, 2026

Self-Paced

Comprendre la santé mentale et le bien-être mental culturellement sécuritaires

Le cours explore diverses perspectives culturelles sur la santé mentale, en mettant l'accent sur des approches culturellement sensibles pour soutenir les clients. Il favorise la prise de conscience de soi chez les praticiens, leur permettant de réfléchir aux biais qui peuvent influencer leurs services, et il s'efforce de promouvoir des conversations sans stigmatisation sur le bien-être mental. Des expériences pratiques et des exemples concrets constituent la base de cette formation.

Audience: *Settlement and Integration Sector Workers*

Course Start Date

April 20, 2026

Course End Date

June 1, 2026

Registration Closing Date

April 12, 2026
